July 18, 2018

Dear Property Owner:

The City of Woodbury invites you to attend a neighborhood open house to learn about the proposed 2019 Trail Project. The project will extend an asphalt trail along the north side of Valley Creek Road, from the Colby Lake Park pedestrian underpass east to Dancing Waters Parkway. Preliminary layouts and plans will be available at the open house for your review. Construction of the new trail segment is scheduled for summer 2019.

The purpose of the 2019 Trail Project is to expand the existing trail network coverage and connectivity within the city's multi-use, off-street trail system. The city's comprehensive plan identifies the city's objective to provide multi-use trails on both sides of major roadways. Construction of the proposed trail segment will achieve this objective and enhance the safety, mobility and connectivity for bike and pedestrian users.

The city expects some minor impacts to private property and landscaping during construction of the new trail segment. We also expect the need for temporary and/or permanent construction easements. City staff will be scheduling individual meetings, after the open house, with residents expected to have impacts to their property.

If you are unable to attend the open house, but would like further information please feel free to contact either Doug Peterson [doug.peterson@woodburymn.gov](mailto:doug.peterson@woodburymn.gov) or Mike Adams [mike.adams@woodburymn.gov](mailto:mike.adams@woodburymn.gov) or by calling (651) 714-3593.

Sincerely,

A handwritten signature in black ink that reads "Mike Adams". The signature is written in a cursive, flowing style.

Mike Adams  
Assistant Park and Recreation Director

The City of Woodbury is subject to Title II of the Americans with Disabilities Act, which prohibits discrimination on the basis of disability by public entities. The City is committed to full implementation of the Act to our services, programs, and activities. Information regarding the provisions of the Americans with Disabilities Act is available from the City Administrator's office at (651) 714-3500. Auxiliary aids for disabled persons are available upon request at least 72 hours in advance of an event. Please call the ADA Coordinator, (651) 714-3500 (TDD (651) 714-3568) to make arrangements.
